CERTIFICATE OF COMPLIANCE WITH CALIFORNIA PROPOSITION 65 DECLARATION

O-Rings West declares, that all products and materials manufactured/or delivered to our customers are in compliance with California's Safe Drinking Water & Toxic Enforcement Act of 1986. All of our products are finished goods. As a result, we can certify that all particles become bound into the finished product and thereby no longer can be described as "airborne unbound particles of respirable size". Therefore, all of our products conform to the "California Proposition 65 Declaration Conformity".

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

The Proposition 65 chemical list can be found at:
